

# WELCOME SCHOLARSHIPS AVAILABLE

## Experience the Catholic School Difference

Catholic schools prepare students for more than tests in the classroom. Students are strengthened for the tests of life and grow more completely in their relationship with Jesus. The Welcome Scholarship is here to help you give your child a Catholic school education. This gift is offered regardless of need.

You are eligible for this scholarship if

- You are a registered parishioner in the Diocese of Grand Rapids
- Your child will be a new student, preschool-11th grade, in a Diocese of Grand Rapids school for the 2018-2019 school year
- You do not have any children currently enrolled in a Diocese of Grand Rapids school

Welcome Scholarships are limited in quantity and will be given on a first-come, first-serve basis. Additional scholarships are also available through your school and parish.
