

# *Mr. Hodge's Wish List for 2009-2010*

**This Wish List contains big-ticket items that are not in the school budget right now:**

1. New Tables for Cafeteria—Approximate cost \$10,000

*Tables with fold-up benches will allow for easier supervision at lunch time, more efficient clean up and will make the cafeteria more user friendly for events like school dances, cheerleading and play practices, etc.*

2. Multi-Media Projectors—Approximate cost \$550 each

*We still need ten of these projectors.*

3. Portable Wireless-Internet Computer Lab—Approximate cost \$10,000 - \$15,000

*This lab will provide 25 laptop computers that can be used in any classroom. It will allow to phase out the oldest computer lab in the school, that has outdated equipment. It is economical and efficient, and allows teachers and students flexibility when they use the computers.*

**If you would like to donate items from this list, or if you have questions or suggestions, please contact Randy Hodge at 517-647-7551 or [randyhodge@portlandstpats.org](mailto:randyhodge@portlandstpats.org).**
