Principal's Notes

I would like to welcome our two guest students from Korea. They are Changseo (pronounced Chung suh) and Eunseo (pronounced Eng suh) Park.

I also would like to welcome new DK student Seth Endres to our Shamrock Family. He is the son of Mike and Michelle Endres.

I would like to commend the junior class for the excellent job in leading the school at Mass on Wednesday.

If everything goes well, we hope to mail report cards home on Friday, January 22. If things do not work as planned, they will be mailed on Monday.

The teachers had a very productive day on Monday working on second semester Shamrock Committees and working towards the completion of our self-study for accreditation.
