Athletic Director's Report (cont.)

5/6 girls wrapped up their 6 game season: 5th: 6-0, 6th: 3-3. Thank you to Chris Spedoske who applied for a grant through Consumers Energy for new 5/6 uniforms and was approved. The girls were able to enjoy these uniforms this season. Thank you Consumers Energy.

New Piece of Equipment in the Gym: A Shooting Machine "The Gun" was donated by Marti and Kristen Schrauben. This equipment will assist in shooting form and offer many new drills for our basketball teams. In 10 minutes, 170 shots. All the teams in the league have had this machine for quite some time so SPS is excited to take this step.

JH Volleyball: League Policy that if you have two teams in one grade you have to split by ability. Our 8th grade team had to be split this season

JH Boys bball: 5 8th grade boys, 11 7th grade boys. Bryan Scheurer will decide how to handle the numbers.

Schedules for 7/8, Freshmen, JV, Varsity Basketball were handed out. For now there will be no Saturday games.
