OLD BUSINESS (continued)

Softball Field Update: Tony Dixon reported that paint for dugouts is coming next week. Bill Vallier is setting up the painting. Contact him if you would like to help paint. The benches for the dugouts have been made, the benches borrowed from the locker rooms will need to be placed back in the locker room. Pat Russman will make sure this is completed.

We are still in need of some fencing that is not crucial, this will be tabled on the long term planning list.

50/50 Raffle update

Deb Miros reported that the paperwork is complete for the Fall 2011 50/50 raffles. There are five (5) Varsity home football games and four (4) 5th-8th home football games.

Carol Gunderman will keep a list of all available 50/50 dates. Persons/teams wishing to sign up for a date, will email her for availability.

Long Term Planning:

A small committee met this summer and came up with a list of long term goals/wishes:

They are as follows:

- 1) New Gym
- 2) Small bus/van - 12-15 passengers
- 3) New football stadium
- 4) Track for track & field
- 5) New football scoreboard
- 6) Sound deadener in current gym
- 7) New/repared gym bleachers
- 8) New gym scoreboard x 2 one for each end of the gym.
- 9) FFF - Restroom improvement/expansion

Items added at the meeting include:

- 10) Four foot softball fencing
- 11) Addition onto pole barn for softball/baseball pitching practice / golf hitting

Additional discussion surrounded the current football scoreboard (item #5). Pat Russman received a quote for a new, basic scoreboard at \$10,000. He is contacting the original scoreboard (circa 1976) company to see if they can fix the current scoreboard as the numbers are not easily read/lit up. A member suggested we contact Saranac which just put in new scoreboards about getting their old one for parts. Pat Russman will check on it this week.

Fall Sports Parent Meeting:

Last year, an all sports parent meeting was held in the gym, with pull-out meetings held for individual sports. The goal of this meeting was to help everyone (parents and students) gain more information on what is involved in having your child play sports at SPS. It was agreed this meeting was not as successful as hoped. It was decided that a booth at the school Open House on Aug. 23, 2011 would be
