Secretary's Report: Minutes from the previous meeting were accepted without change

Treasurer's Report: Dave Kramer provided financial statements. When looking at the budget report from Mike Johnson, please note that not all Fall Fest expenses have been accounted. Dave created a spreadsheet of each gate and concession income to use as a budget tool for the upcoming years. Thank you to everyone who has been emailing gate/concession income to Dave and Mike Johnson. This system seems to be working out well. Please continue to do so for the winter sports events.

We are pretty close to budget from last year. What we can control, we are doing well.
