## Announcements:

It is time to complete our annual Diocesan Program Effectiveness survey. Listed below is the link to the 2017-18 Program Effectiveness Survey. We ask that all school families complete a survey. The survey takes only about 10 minutes to complete. The deadline for completing the surveys this year is April 8.

Here is the link for the parent/community survey: <https://www.surveymonkey.com/r/EffectivenessParentCommunity> (Note: This survey is available in both English and Spanish. The first question will determine in which language the survey will appear.)

When you get to the page that says, "Thank you for completing your survey," please print it off, sign it and send it in to the school office. Once we receive this, each one of your school-aged children will receive an Out of Dress Code pass.
