3/2/18

Announcements:

It is time to complete our annual Diocesan Program Effectiveness survey. Listed below is the link to the 2017-18 Program Effectiveness Survey. We ask that all school families complete a survey. The survey takes only about 10 minutes to complete. The deadline for completing the surveys this year is April 8.

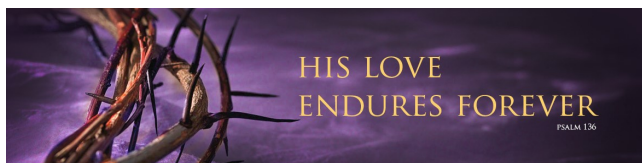

Here is the link for the parent/community survey: <https://www.surveymonkey.com/r/EffectivenessParentCommunity> (Note: This survey is available in both English and Spanish. The first question will determine in which language the survey will appear.)

When you get to the page that says, "Thank you for completing your survey," please print it off, sign it and send it in to the school office. Once we receive this, each one of your school-aged children will receive an Out of Dress Code pass.

Jean Days:

Friday, March 9: Brittni Vallier Fedewa. We will be collecting for a second Friday for Brittni due to so many students being out of the building for the bowling state finals.

Friday, March 16: Positive Solutions Informed Choices (formerly Pregnancy Services of Ionia County). This is a make up for the jean day that was scheduled for 02/09/18 but was cancelled due to a snow day.

Congratulations:

- To our second-grade students for successfully receiving the Sacrament of Reconciliation over the course of the past two weekends.
- To the varsity boys bowling team for winning their MHSAA Regional tournament on Friday and advancing to the states this Friday.
- To senior Kayla Shaw and junior Stephen Wernet for qualifying for states as individuals in the MHSAA Regional bowling tournament this past Friday.
- To the varsity girls bowling team, the junior varsity girls and boys basketball teams and the 7th and 8th grade girls basketball teams for wrapping up their successful seasons.

Thank You:

To senior class president Katie Coyne for the outstanding work she did in planning the senior trip to Chicago for the Class of 2018.

Sunday, March 11 ♦ Noon – 4:00 PM

Knights Hall ♦ 690 Maynard Road, Portland MI

Silent Auction ♦ 50/50 ♦ Pulled Pork Luncheon ♦ Free Will Offering

Recently, Brittnei suffered from heart failure, likely as a result of a virus. She is learning to live with the LVAD pump which is aiding her heart until it is her turn as a heart transplant recipient.

There are many costs not covered by insurance. With your help, we can help ease the stress of lost work time, co-pays, premiums, and an uncertain but HOPEFUL recovery.

We have come so far in the last few weeks and are very hopeful for continued blessings as we travel this long road ahead of us. Thank you so much for your prayers, love, and support!
