

Middle School Science Teacher: St. Patrick Catholic School in Portland, MI is accepting applications for a middle school science teacher which includes one hour of high school anatomy instruction. The applicant is responsible for the complete 6<sup>th</sup> – 8<sup>th</sup> grade science program. Candidates who have prior experience or education which includes STEM, robotics and coding and are willing to serve as an advisor for a science related club may be given priority.

The qualified candidate should have the current State of Michigan secondary certification, they must be knowledgeable in the Next Generation Science Standards and comfortable using technology as part of the learning process. The successful candidate must be able to work collaboratively with all staff to carry out the mission of St. Patrick Catholic School. He or she must be a practicing Catholic who is able to integrate the doctrines of the Roman Catholic Church into the curriculum. He or she must be of a character that models the values of Catholic Secondary Schools.

Application deadline is Friday, August 3, 2018. Interviews are tentatively scheduled for the week of August 6.

Interested candidates please send a letter of interest, resume, references and a letter from their pastor stating they are a parishioner in good standing to:

Randy Hodge, Principal  
St. Patrick Catholic School  
122 West Street  
Portland, MI 48875
